## Computer Literacy: PBS Learning Media and WebQuests

Create by Jessica Mark

Subject: Computer science

Join class

MobyMax is a FREE, complete curriculum for K-8 Math and ELA (reading, vocabulary, language, and writing) that includes progress monitoring, systematic review, IEP, and reporting on Common Core standards. MobyMax finds and fixes missing skills, resulting in an average of 1.5 grade levels of growth after just 40 hours of use.

MobyMax also includes classroom tools such as Messenger, Vibes, Clicker, The Wall, Contests, Games, Badges, Goals, Certificates, Parent Portal, and Printable Worksheets!

MobyMax is for all students. Moby's adaptive curriculum creates a unique, individualized education plan for each student, allowing gifted students to progress as quickly as they like while simultaneously ensuring that remedial students get the extra instruction they need. You've never experienced differentiation like this in the classroom.

**We need more companies like Medium**

Medium made a big announcement yesterday. It was not a feature launch that is going to disrupt an entire industry—as you would expect from a tech company their size. It was the opposite. It was an un-announcement. An un-feature. And it was pretty bold.

"We are also changing our business model to more directly drive the mission we set out on originally. While we could continue on our current path—and there is a business case for doing so—we decided that we risk failing on our larger, original mission if we
